

People are talking about

Sixth in the nation for value and long-term outcomes

SmartMoney magazine

One of the top three public universities (master's level) in the north

U.S. News & World Report

"Rutgers–Camden is the center of everything. Between work, home, my classes, and even a trip to Philadelphia, I can get there easily and quickly, and **I'm constantly amazed at how accessible everything is.**"

Brandon Ransburgh, management major

"Everything about Rutgers–Camden is exactly what I want in a school."

Lindy Iannacone, graphic design major

One of the nation's top 15 for global management

Entrepreneur magazine

Among the top 20 in the nation for legal research and writing

U.S. News & World Report

"I can talk to my professors at any time and always feel welcome."

Nicole Lister, political science major
